

The Ziegler School of Rabbinic Studies and its visionary donors realize that the Jewish people need great rabbis now: to access the wisdom of the ages, to build lives and communities of joy and meaning, and to keep our ancient heritage vital. To give everyone access, Ziegler has set tuition to \$7,000 per year, with additional assistance available for the Israel year.

Cost for enrollment in 5 or fewer units as well as units beyond 23 is \$600 per credit unit.
