**IMPORTANT NOTICE:
HEALTH INSURANCE
COVERAGE**

August 1, 2017

Dear AJU Student,

In prior years the University has offered students the opportunity to participate in a student group health insurance plan through Kaiser Permanente. Kaiser has notified the University that the plan will no longer be available to our students. Although we have attempted to find an acceptable alternative plan, it has become apparent that we will not have a student group plan in place for this coming academic year.

Please understand that the University expects all students to have an active health insurance policy that satisfies the Affordable Care Act minimum coverage requirements. Additional information concerning healthcare coverage that may be available through the Affordable Care Act can be found at <https://www.healthcare.gov/young-adults/college-students>.

We wish to remind all incoming students to take the necessary steps to make sure they have insurance in place for the coming academic year.

We thank you for your cooperation.

Sincerely,

Office of the Dean of Students
